CHEERLEADING AND MASCOT CONDUCT

The term cheerleader, in the context of this passage, refers to both cheerleaders and the mascot unless otherwise stated. The duties and responsibilities are not limited to activities that are school sponsored, or while an individual is representing Hamlin ISD.

1. **Cheerleaders are expected to maintain standards of conduct that are above the expectations of the average student.** It is a privilege to represent Hamlin ISD as a member of the cheerleading squad. This is a privilege that is earned and is not a guaranteed right. **Failure to maintain such a standard of behavior may be grounds for disciplinary action, including removal from the squad.**
2. Cheerleaders will be expected to maintain passing grades at all times. It is the duty of the individual members of the cheerleading squad to manage their time in such a way that this is a priority. Members of the cheerleading squad will be subject to UIL guidelines regarding passing grades. Students failing one six-week period shall be placed on scholastic probation, but must continue to attend practice. A failure in any other grading period shall result in immediate dismissal from the team. If a student fails two six weeks periods, the student will have to wait one whole school year to be eligible to tryout again. Failing six week periods will be looked at from the beginning of the year they are on the squad to tryout date for the next school year.
3. If a representative becomes ineligible, he/she will not be allowed to perform, travel with the squad, or wear the uniform to school or for any squad performance for the term of the student's ineligibility.

4. Cheerleaders must be on time to all practices, meetings, and games.
5. **Members of the cheerleading squad must be in attendance for the entire school day in order to participate in a cheerleading activity.** Exceptions to this rule may be granted by the school principal in the event of unavoidable circumstances.
6. It is the responsibility of each cheerleader to **maintain a standard of attendance** that is in compliance with Hamlin ISD policies, as well as those set forth by the Texas Education Agency. Failure to do so will result in removal from the cheerleading squad.
7. Cheerleaders **DO NOT** use tobacco products of any kind, drugs, intoxicating beverages, or illegal controlled substances at any time.
8. Cheerleaders **DO NOT** attend parties or dances where alcoholic beverages are consumed unless accompanied by a parent.
9. Cheerleaders **DO NOT** post inappropriate statements, comments, and/or pictures that may be construed as cyber bullying or harassment on any social media such as Facebook, Twitter, My Space, Snapchat, etc.
10. Cheerleaders **DO NOT** resort to any type of violence, verbal or physical.
11. Members of the cheerleading squad must comply with all policies set forth in the *Hamlin ISD Student Handbook* and the *Student Code of Conduct*.
12. Cheerleaders must conduct themselves in a mannerly fashion at all times; no profanity, no kissing or other types of public displays of affection will be tolerated.
13. **ALL** cheerleaders are required to attend summer camp – Varsity and Junior High cheerleaders.
14. Cheerleaders must support each other. If an individual has a problem working with another member of the squad, it is the responsibility of the individual to visit with the sponsor to seek a solution to the conflict. Individuals do not need to talk about their issues to other people.
15. Cheerleaders **DO NOT** bully each other or any student. If a cheerleader has an issue with another cheerleader or student, you must talk to the sponsor to seek a solution to the conflict. **Failure to maintain such a resolution will be grounds for disciplinary action, including removal from the squad.**
16. Cheerleading is a school activity. All applicable rules and regulations of the UIL pertaining to after school participation will be strictly enforced.
17. All cheerleaders and/or mascot will follow the rules pertaining to the demerit system put into place for the cheerleaders.

This guide to our discipline system is not meant to be inclusive of every, or exclusive of any, situation. The guide may be adapted during the year by the coaches as needed. If a coach deems an offense severe enough, a student may be placed directly on a behavior contract or removed from the squad at the sole discretion of the coach.

DISMISSAL

It is not the intention of the sponsor of the cheerleading squad, or the administration of Hamlin ISD, to seek the removal of students from extracurricular activities. There is, however, a responsibility that comes with a position of leadership, cheerleading being such a position, that calls for a higher standard of conduct than is asked of students in non-leadership roles. Dismissal from the cheerleading squad is not taken lightly and will not be used as a disciplinary sanction unless the infraction warrants such action. The rules addressing disciplinary infractions for members of the cheerleading squad are subject to change, and may be modified to comply with the extracurricular participation guidelines of other departments within Hamlin ISD.

A cheerleader may choose to resign, although it is not recommended. If the cheerleader chooses to resign he/she will not be able to tryout the following school year.
